

#### **RULE 9.7. CONFIRMATION OF REPORT**

Any interested party shall have the right to file exceptions to the auditor's report or to a master's report within twenty (20) days after the date notice of the filing of the report is received by that party.

If no exceptions are filed within twenty (20) days after the service thereof, the Court may enter a decree confirming the auditor's report or approving the master's report and adopting its recommendations unless the time to file exceptions has been extended by the Court.

If exceptions are filed the matter shall go on the argument list as provided for in the Crawford County Civil Rules of Court and after disposition of any exceptions the Court will enter a confirmation either consistent with the report or with such modifications as the Court may deem appropriate after consideration of the exceptions.
