CRAWFORD COUNTY COVID-19 POSITIVES ARE AT EIGHT ***Mitigation and prevention are still the best ways to stop this virus***

MEADVILLE, PA – Crawford County residents testing positive for the COVID-19 virus is at eight. Crawford County Commissioners have worked very hard to inform Crawford County Residents about COVID-19; about ways to be prepared and what actions County government is taking. To date, daily news releases have been sent to the television, print and radio media and are posted to the County's web-site, www.crawfordcountypa.net. Commissioners have established a Crawford County PA COVID-19 Informational phone number for those who do not have access to the internet or news media sources. This phone number has up to date information. The COVID-19 informational phone line is **814-373-2504**. Crawford County Commissioners have also reached out to the Amish communities in the County to help educate those residents about this pandemic through personal contacts, posters and this COVID-19 phone number.

The Crawford County Commissioners would like to publicly give a big shout out to all our local businesses for making adjustments to still provide their services including restaurants who have adapted to food take out options. Commissioners encourage everyone to support our local businesses and restaurants as much as you can. Also, a big heartfelt thank you to all the medical, healthcare, and emergency medical personnel in Crawford County for continuing to provide health care and emergency medical services in the county during this trying pandemic situation. If all of us work together and support one another we will get through this pandemic together. #crawfordstrong

We understand that staying at home and practicing mitigation efforts is difficult, but we all must do everything in our power to slow the spread of COVID-19 in Crawford County. The more we practice these mitigation efforts, the sooner we will see cases of COVID-19 decline and the sooner the restrictions may be lifted. Thanks for doing your part!

Remember-Stay Calm...Stay Home...Stay Safe!
