

## Keeping Your Medical Assistance Benefits Active

Have you received an application renewal or request to provide information from the Department of Human Services to renew Medical Assistance benefits? If so, please complete and return these before the due date on the forms sent to you. For some members they did not need to reapply due to the pandemic. The automatic reapplication process is coming to an end. Beacon recommends you contact your local County Assistance Office to see when you need to reapply so you do not lose your benefits. With possible changes in certain programs, we want to make sure you are reapplying and provide you with the resources below. If you receive your paperwork in the mail to reapply, you will see a logo such as this one below at the top of the letter.

If you are not sure if you have received a renewal, or want to check your case, you may contact your County Assistance Office at the numbers below. You may also call the Statewide Customer Service Center (CSC) toll-free at 1-877-395-8930. Call this number if you have questions about physical and behavioral health benefit renewals, eligibility, ACCESS/EBT cards or billing. You can also make changes online for Medical Assistance, Cash Assistance, SNAP, LIHEAP (energy assistance), or other Department of Human Services programs by logging into your COMPASS account at <https://www.compass.state.pa.us/compass.web/Public/CMPHome/>

You can also use the myCOMPASS PA mobile app. Individuals who prefer to send their paper documents can still mail them in to the address in their renewal paperwork.
